

Register for a Session

If you'd like to attend a session as an attendee, you'll first need to register for the session using the Registration URL in your GoToWebinar invitation.

Register to attend a session

1. Open your GoToWebinar invitation email.
2. Click the Registration URL to open the registration form.
3. Fill out all required fields, including your first name, last name, country and email address. Then click **Register**.
4. You can add a GoToWebinar appointment to your calendar as a reminder to join the session at the specified time and date.
5. When it's time for the session, just click the Join URL in your confirmation email. Don't share the Join URL with anyone – it's unique to you.

Email Address*

By clicking this button, you submit your information to the webinar organizer, who will use it to communicate with you regarding this event and their other services.

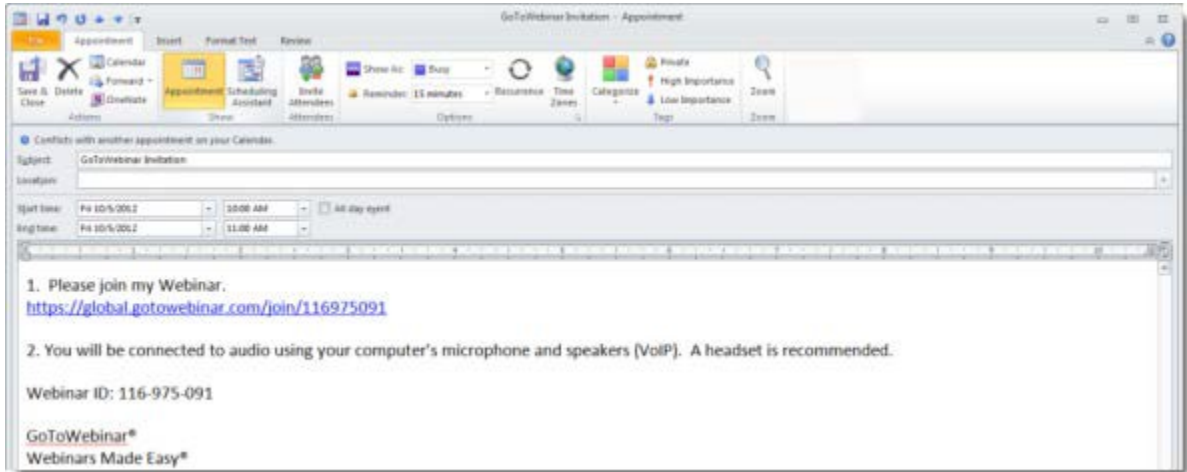

Register

Join a Session

After you've registered for a webinar, you can easily join the session when it's time. You can join sessions from the web, desktop application or a mobile device!

Join a session from your invitation email

1. Open your GoToWebinar confirmation email.
2. Click the Join URL when it's time to start. Don't share your Join URL with anyone – it's unique to you. If the session is not yet open to attendees, you'll see a message that tells you to come back at the scheduled start time.

Join a session from the web

1. Go to the [GoToWebinar](https://www.gotowebinar.com) website, and click **Join a Webinar**.
2. Enter the Webinar ID listed in your confirmation email, and type in your email address. Click **Continue**.

A screenshot of a web form titled "Join the Webinar". The form has a light blue header with the title. Below the title, there is a text box with the instruction: "To join a Webinar, enter the Webinar ID and your email address:". There are two input fields: "Webinar ID" and "Email Address". To the right of the "Email Address" field is a blue button with the text "Continue".

During the Session

During the webinar all participants are muted.

You can ask questions by sending a message via the Question feature in GoToWebinar to the Moderator.
