Document OGM19-08

Proposed Changes for ed. 7 of the ISTA List of Stabilised Plant Names

This document was prepared by the ISTA Nomenclature Committee and has been endorsed by the ISTA Executive Committee (ECOM). The proposal is submitted to the ISTA Ordinary General Meeting 2019 for voting by the nominated ISTA Designated Members on behalf of their respective Governments.

It is submitted to all ISTA Designated Authorities, ISTA Members and ISTA Observer Organizations for information two months prior to the ISTA Ordinary General Meeting 2019.

It contains proposed changes for ed. 7 of the ISTA List of Stabilised Plant Names and will be discussed and voted on at the Ordinary General Meeting 2019 to be held on Tuesday, July 02, 2019 in Hyderabad, India under Agenda point 10. Consideration and Adoption of the Proposed Rules Changes.

List of proposed changes for the ISTA List of Stabilised Plant Names

List of proposed changes for the *ISTA List of Stabilised Plant Names*

(approved by ISTA NOM October 2018)

Notes: accepted names shown in bold, although family names not in bold may still be accepted for other entries, just not for the entry in question. The current version of an entry in the Stabilised List is given in quotes when a change in spelling or author citation of a name is recommended. Those entries that have implications for the ISTA Rules are prefixed by an asterisk(*).
